DU TOIT LAMBRECHTS INCORPORATED COMPANY PROFILE

We are an accomplished legal firm offering an expert team that draw on many years of combined experience in the legal and conveyancing field.

We provide outstanding service in all matters of residential conveyancing, commercial conveyancing, deceased estate transfers and other property related transactions. We make use of the latest electronic technology as we are continuously developing unique systems that allows us to services clients effectively.

Du Toit Lambrechts Incorporated (DTL LAW) has been an active panel attorney on various legal insurance companies and handle a wide spectrum of legal work all over the country. We have access to a large network of loyal correspondents that allows the firm to offer a comprehensive range of legal service throughout the country.

Brief background of the firm

In August 2016 Carel du Toit and Lerina Lambrechts-Botes founded DU TOIT LAMBRECHTS INCORPORATED, after amalgamating their respective sole proprietary firms with offices in Mossel Bay and Bloemfontein. They started out as a small general legal firm and 10 years later established themselves as one of the top legal firms in the country dealing with matters from civil law, conveyancing and property transfers, criminal law, family law and deceased estates and deceased estate transfers.

Carel du Toit obtained his LLB degree at the University of the Free State and he completed his articles at a firm in Bloemfontein. He was admitted as an Attorney, with High Court right of Appearance. He later founded his own sole proprietary firm in Mossel Bay and practised as an Attorney.

Lerina Lambrechts-Botes obtained her LLB degree at the University of the Free State and a Business Rescue and Deceased Wills, Trust and Estates qualification at UNISA

and completed her articles at a law firm in Bloemfontein. She was admitted as an Attorney, with High Court right of Appearance and later in as a Conveyancer. She later founded her own sole proprietary firm in Bloemfontein and practised as an Attorney.

In July 2024, the firm opened a new branch office in Brackenfell, Cape Town.

Conveyancing

DTL LAW has a centralised and lean property structure, specialising in both the residential and commercial transactions and deceased estates transfers. We work in teams, which means that there is always someone to assist you. This approach provides for more available resources to ensure that your transaction proceeds without interruption or unnecessary delays.

Conveyancing is one of the fastest growing departments of DTL LAW and to this end we offer excellence in the following areas of conveyancing:

1. Conventional and sectional title transfers
2. Notarial bond registrations
3. Opening and registration of sectional title registers
4. Subdivisions and consolidations
5. Divorce and deceased estate transfers

Our mission

Our mission is to deliver effective legal solutions to all. We do this by attending to the specific legal matters of our clients in the most cost effective and time efficient way. Our passion for our work is the key that drives us to go the extra mile.

Our motto

DYNAMIC. ACCESSIBLE. TRANSPARENT.

Our promise

- Cost effective
- Personal service
- Availability
- Sensitivity to delicate matters

Values and principles

- Accountability towards our clients
- Commitment to our work
- Honesty in all we do
- Integrity by upholding the ethical standards of our profession
- Dedication, discipline and commitment

Technology

We pride ourselves in having office technology and access to databases that maximize the productivity and efficiency of our staff and thereby simultaneously having a positive impact on our service delivery to our clients.

DTL LAW has excellent support staff and solutions.

Motivation

Motivating our staff through encouragement, support and excellent tools promotes free thinking and innovation which contributes to creative problem solving, resulting ultimately in consistently superior service to our clients. We have a passion for what we do and are known for our “out of the box” thinking methods.

Prices / Fees

We adhere to the guidelines laid down for the profession in respect of conveyancing, litigation and commercial work. However, we are flexible and a reduction in tariffs can be negotiated if justified in terms of work volume and provided that any deal will conform to ethical standards.

We are large enough to tender efficient and reliable services but at the same time being small enough to provide attention to detail and personal and dedicated services.
